Never get lost again with Ford's Factory in Dash Navigation System or a portable Garmin Navigation system

The HD Radio digital tuner provides crystal clear static-free AM and FM reception and expanded content with exciting new formats on FM HD2 multicast stations, all with no subscription fees. If you want all the features of HD Radio technology with the capability to control your iPod through your factory radio, the Ford Licensed HD Radio tuner is the right choice for you.

This kit enables your stock Ford radio to receive Sirius Satellite Radio. Listen to over 65 commercial free music channels for a low monthly subscription fee.

Enjoy the comfort and convenience of a pre-warmed or pre-cooled vehicle. Systems start vehicle from up to 500 ft. away, and ensure that it's locked and that its security system (if equipped) is armed.
