

Optimize your truck's towing capabilities

Match it with Ford Custom Accessory hitch products

For work and play, Ford Custom Accessories has hitch products available for your vehicle, designed to allow you to take full advantage of its towing capabilities*.

*Towing capacity could be limited by the vehicle's powertrain. See your dealer or Owner's Manual for details.

Hitch Assemblies

Hitch assemblies that allow towing capacities up to 20,000 lbs. are available for your Ford truck. Each was designed for your specific vehicle and bolts directly to the frame with no cutting or welding required. A corrosion-resistant black finish is used to give the hitch a custom look.

5th Wheel Hitches with Gross Trailer Weight (GTW) Ratings of 18,000lbs & 25,000lbs* are available for Super Duty trucks with 8' beds. Requires Prep Package (sold separately as a factory option or dealer-installed accessory).

Fifth Wheel Hitches

Trailer Hitch Drawbars

We offer square-shank **drawbars** for hitches with 1-1/4", 2" and 2-1/2" square receivers. Coated with a durable black powdercoat finish, kits include the drawbar, pin and retaining clip. A Pintle Mount is also available for 2-1/2" receivers.

Gooseneck Hitches

For Super Duty trucks with 8' beds, a **Gooseneck Hitch** kit is offered. Features a big 25,000lb* GTW rating and a handy storage bag. Requires Prep Package (sold separately as a factory option or dealer-installed accessory).

Trailer Hitch Balls

Rugged **hitch balls** are offered with varying ball sizes and shanks designed to fit our drawbar assemblies. They feature stainless steel construction for years of corrosion-resistant use.

Trailer Hitch Wiring Harness

A variety of **wiring harnesses** designed to plug into your vehicle's electrical system are offered for most applications. Use of genuine Ford harnesses means no cutting or splicing of the vehicles electrical wiring, which helps reduce the chances of electrical shorts.

*Towing capacity could be limited by the vehicles powertrain. See your dealer or Owner's Manual for details.
