NOTES:

- 1 Refer to the Remote Start Application Guide for specific required part numbers.
- 2 Range in feet may vary based on location and environment. Remote Access requires that the phone and the vehicle have adequate cell coverage.
- 3 Lincoln Original Accessories are warranted for whichever provides you the greatest benefit: 24 months (unlimited miles), or the remainder of your Bumper-to-Bumper 4-year/50,000 New Vehicle Limited Warranty. Contact your local Lincoln Dealer for a copy of the limited warranty.
- 4 ESP Coverage is available at extra charge from your Lincoln Dealer. See Dealer for complete details.

Remote Start Systems for Automatic Transmission equipped vehicles only.
 Plug-N-Play - Lincoln has a new electrical architecture with certain 2011-2014 and all 2015-2016 model year vehicles. These platforms allow for integration of the Lincoln Original Accessories Plug-N-Play remote start systems without the need to cut or splice into the wiring of the electrical system that is often required when installing aftermarket remote start products. Using Genuine Lincoln parts is strongly recommended as it preserves your vehicle warranty.
