

Introducing the Highest Security In-Vehicle Safe: Console Vault®

Protect Your Valuables

- Wallet
- Jewelry
- Documents
- Electronic Equipment

Providing peace of mind for those with high security needs

- Constructed from massive 12 gauge cold rolled plate steel
- Welded tab and notch seams
- Superior 3-point locking system resists prying
- Spring assisted lid
- 4-digit combination lock with 10,000 possible combinations (Combination lock meets CADODJ compliance)
- Easy do-it-yourself installation
- Secures inside factory console

Console Vault's in-vehicle safes discreetly fit inside the existing factory console. With the Console Vault installed and the factory console lid closed, the Console Vault remains completely hidden from view, preventing your valuables from attracting unwanted attention.
