## SYNC Accessory Kit

Part Number: 8L7Z-14D212-A

Dealer Net Price: \$373.00

MSRP: \$532.86

Fits: 2008 Lincoln Navigator

**SYNC is a fully integrated, in-car communications and entertainment system that gives drivers hands-free voice activated control over their Bluetooth enabled mobile phones and digital media devices. After a one-time setup, SYNC automatically connects the driver's phone and music player with their vehicle in-car microphone and sound system. Available for vehicles built after 12//4/07 with Navigation Radio and Rear Seat DVD.**
