Go Further

Locking Removable Rack & Cross Bar System

For vehicles without roof side rails

- Includes cross bars, foot kits, fit kits, locks, and integrated AcuTight tensioning tool which visually indicates when the rack is securely attached to vehicle
- Feet rest on vehicle roof with soft rubber pads and clamps secure via the door opening
- Features MaxClamp technology to strongly hold the rack to the vehicle
- Resulting rack system is wide enough to allow mounting of multiple Thule lifestyle accessories

Locking Roof Rack Cross Bar System*

For vehicles with roof side rails

- Allows vehicles WITH factory roof side rails to convert into a fully lockable rack system capable of managing other Thule accessories
- Includes crossbars, foot kits, locks, and built in tool for easy installation
- Feet with rubber coated strap attach to the FACTORY side rails - cross bars attach to feet
- Resulting raised cross bar system is wider than factory cross bars and provides room to mount multiple Thule lifestyle accessories

* Not required if vehicle is equipped with original equipment-style Cross Bars.

Hitch Mount Bike Racks

2-bike or 4-bike carriers

- Unique arc design makes racks easier to load and unload, provides better ground clearance and greater space between bikes
- New, Hold Fast Cradles™ cushion bike and provide maximum bike security
- Anti-Sway cages help minimize bike-to-bike and bike-to-vehicle contact
- Hitch Switch™ folds arms down when not in use and tilts carrier away from vehicle for trunk, hatch or tailgate access
- Increased mast height for greater ground clearance

Bike Carrier Adapter (for Hitch Mount Bike Rack)

For use with BMX or Drop Crossbar Style Bicycles

- Keeps bike securely centered and mounted on hanging style hitch mount racks
- Durable rubber collars secure easily to the seat post and bike stem
- Telescopic adjustment for most bike frames
- Push button clamps for quick installation and removal
- Molded rubber pads help protect the bike finish

Roof Mount Bike Carrier

Rock-solid upright bike carrier

- Easy to use frame clamp design
- Self-adjusting jaws automatically adjust to the downtube for a secure grip
- Fits bike frames up to 3-3/8" in diameter and tires up to 2-1/2" wide
- Each carrier holds one bike

Folding Kayak Carrier

Premium vertical kayak carrier

- Folds down when not used for increased overhead clearance
- Wide mouth J-profile offers easier loading/unloading
- Steel design with adjustable padding for carrying strength and kayak protection
- Quick on/off hardware ensures fast installation/removal
- AllSurface™ rust-resistant tubing and hardware
- Includes QuickDraw ratcheting bow and stern tie-downs to transport 1 kayak
- Up to 2 carriers per vehicle

Glide & Set Kayak Carrier

Premium saddle guides and sets kayak for smooth loading and unloading

- Rear-mounted Hydro-Glide felt lined saddles guide kayak and provide low friction loading/unloading
- Front-mounted Set-to-Go form fitting saddles grip the surface of the hull for increased lateral stability and protection
- Integrated rubber pads protect the hull and help hold the kayak in place for transportation
- Includes QuickDraw ratcheting bow and stern tie-downs to transport 1 kayak
- Accommodates kayaks up to 36" wide

Stand-up Paddleboard Carrier

Premium locking carrier delivers unmatched board security

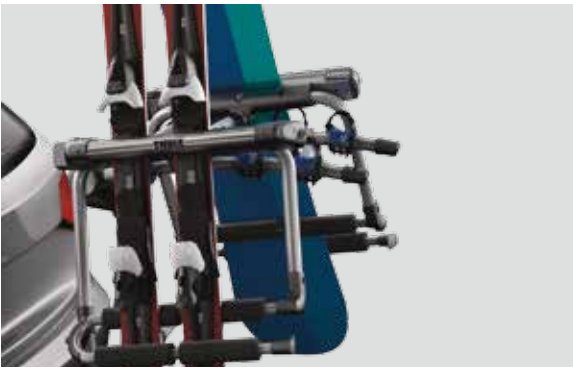

- Telescoping design delivers a custom fit for board widths up to 34"
- Soft, weather-resistant padding protects boards during transit
- Strong, durable load straps with adjustable wrap-around padding that helps protect board from strap abrasion
- Two board capacity

Ski and Snowboard Rack

Premium, locking ski and snowboard carrier

- Provides ultra-soft rubber arms and oversized buttons for maximum protection and easy access
- Equipped with Speed-Link™ mounting system for convenient tool-free mounting
- Holds 6 pairs of skis or 4 snowboards securely with ultra-soft rubber arms that grip without scratching the surfaces
- Easy to open/close while wearing gloves with oversized push button
- 4 One-Key™ locks included lock the skis in the carrier and the carrier to the vehicle

Hitch Mount Ski/Snowboard Adapter

Transform your hitch mount bike carrier to a ski and snowboard carrier

- Ultra soft rubber arms hold skis and boards securely without scratching surfaces
- Oversized push buttons allow for easy opening
- Carries up to 6 pairs skis or 4 snowboards on 2" receivers
- Carries up to 4 pairs skis or 2 snowboards on 1-1/4" receivers

Large and Extra Large Cargo Boxes

Maximum capacity boxes have room for plenty of extra stuff

- Dual-side opening for easier loading/ unloading from either side of the vehicle
- SecureLock™ ensures that all gear is locked and box is properly closed prior to driving
- 2 One-Key™ locks secure box contents and lock the box to the roof rack
- Fits 6-8 pair skis, 4-6 snowboards, or gear for up to 4 passengers
- Large - Maximum length: 150cm
- Extra Large - Maximum length: 198cm

Small Cargo Box

The perfect fit for smaller vehicles

- Passenger-side opening for safe loading and unloading
- Protects gear and helps keep out the elements
- Carries 8 cubic feet of cargo per box
- 2 One-Key™ locks secure box contents and lock the box to the roof rack

ALWAYS refer to your owner's guide for maximum roof rack capacity
