

F-150 Fender Flares

Great Looking and Functional.

Form-Fitting Flares

Give your new F-150 a unique appearance with your choice of three distinctively designed fender flare kits:

- Form-fitting for stealthy protection
- Matte black bolt-on look for a brawny appearance
- Paintable bolt-on look for the full custom effect

From Integrated to Industrial, Ford has Your Flare!

Fender Flares for Functional Protection!

These form-fitting flares from Ford Original Accessories are designed to complement the lines of your F-150 and provide additional protection that splash guards just can't deliver.

- Durable, weather-resistant and easy to maintain
- Designed to help protect your paint by deflecting dirt, mud, slush and salt
- Matte Black textured finish requires no paint
- No drilling required for installation
- All fasteners are compatible with aluminum – no galvanic corrosion
- Not available with Technology Package (68T)

Fender Flares by Bushwacker® add a Muscular Look!

These big, bold and brash flares finished in matte black have the bolted-on look that says “in your face,” but in reality, requires no drilling for installation.

- Each flare adds 1-1/2" of tire coverage
- Made of thick, warp-resistant DuraFlex® 2000 ABS for durability
- Textured, matte black finish is not meant for paint
- Edge trim and hex-head “bolts” are pre-assembled at the factory for easy installation
- No metal to metal contact helps minimize the chances for corrosion
- Not available with Technology Package (68T)

Bushwacker® Paintable Flares Deliver a Custom Effect!

Similar to those described above, but with a smooth finish that's ready for prep, primer and paint. Select any color paint to match or complement your truck's exterior.

- Smoother finish than the textured matte black flares for a Class A finish
- Made of thick, warp-resistant DuraFlex® 2000 ABS for durability
- Edge trim and hex-head “bolts” are NOT pre-assembled at the factory to make it easier for prep and paint
- Simply install hardware after paint work is complete, then install flares on the truck
- Not available with Technology Package (68T)
