

LED Warning Strobes by SoundOff Signal

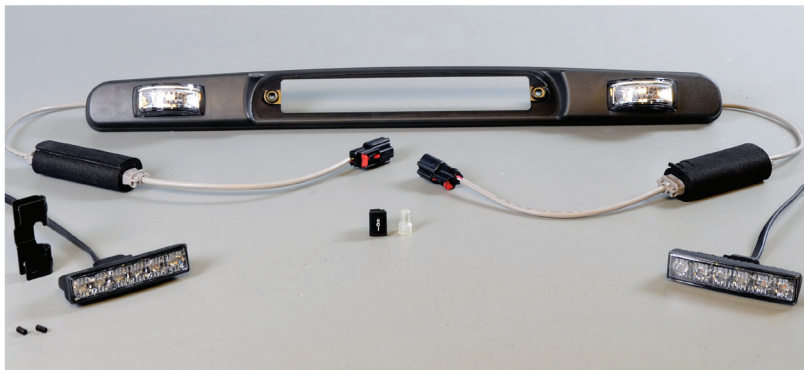

Make Your Trucks More Visible with Front & Rear High-Mount LED Warning Strobes

Alert other motorists that there are workers present with this highly visible strobe light package!

High-Mounted for Maximum Visibility - for Commercial Use Only

These amber-lensed warning strobes warn other motorists to proceed with caution and that there may be workers present. The high mount position and Class 1 certification mean that these strobes can be seen up to 1,000 feet during the day and up to a mile at night. Designed to meet applicable government regulations, our kits feature:

- No drill installation minimizes potential for corrosion
- Rear facing signals are integrated into the CHMSL and provide 180 degree output
- Forward facing signals mount to the rear of the hood for maximum visibility
- Includes replacement trim panel with pre-mounted on-off switch
- LED lights for low current draw and minimal maintenance
- Programmable flash pattern capability to meet specific fleet requirements
- Weather-resistant for long life
- Serviceable at Ford and Lincoln dealerships nationwide
- 3 year/36,000 mile limited warranty from SoundOff Signal

Certified to meet Strict Requirements

- SAE J595, Class 1 certified
- SAE J845, Class 1 certified
- ECE65 tested and certified
- EMC tested and certified

Fits Ford Super Duty Trucks

- Kits include 2 amber forward-facing strobes; Center High Mounted Stop Light (CHMSL)-mounted rear-facing, amber strobes; all brackets, mounting hardware, wiring and switches
