Keep Debris Out and Good Looks In!

Ford Accessories Wheel-Well Liners are precision fit for each application. Our Liners are constructed of rugged, recyclable, high-density polyethylene for excellent impact resistance in all temperatures. Custom molded to fit the contours of the rear wheel-well; they look as good as they protect!

Features:

- Designed and engineered to meet stringent Ford specifications for fit and durability
- Helps improve the appearance of the exposed underbody in the rear wheel-wells
- Easy to clean – simply spray off with a hose
- Provides a measure of added sound dampening
- Heavy-duty construction for long-life in even the most extreme conditions
- Easy to install, no drilling required
- Each kit includes two REAR Wheel-Well Liners
