**Go Further**

## Chrome Bed Side Rails

Add some useful functionality with these highly polished chrome Bed Rails that feature open loops at the rail ends providing handy tie-down locations.

- Constructed of durable 304 stainless steel 1-3/4" tubing
- Corrosion-resistant mounting hardware for long life
- Available with chrome or heavy duty black nylon rail ends
- Offered for 5.5' & 6.5' bed lengths

## Chrome Tailgate Handles

Add a custom look to your tailgate with a chrome tailgate handle made of long-lasting, chromed ABS that complements the OE trim.

- Easy, no drill installation – uses 3M automotive tape
- Engineered to handle the elements
- Kits for manual latches (shown) and power latches are available

## Chrome Door Handle Trim

Don't forget the door handles when adding the chrome look to your new truck. Specially designed for the F-150, kits come with Door Pulls only, or Door Pulls and Bezels.

- Easy, no drilling required installation – uses 3M automotive tape
- Designed to handle the elements
- Matches the OE chrome trim for a factory look
- Kits for Regular/SuperCab and SuperCrew® are available

## Chrome Mirror Caps

Add a touch of class to your truck. Available for either standard mirrors or trailer tow mirrors.

- Constructed of rugged automotive grade chromed ABS engineered to conquer the elements
- Premium quality finish matches the OE chrome
- Available for standard or trailer tow mirrors
- Easy to install – no tools required

## Chrome Window Belt Moldings

Trim out your truck with these chrome window trim moldings.

- Precision crafted for excellent fit and finish
- Made of durable chromed ABS
- No cutting or drilling required - simply peel and stick using the pre-applied adhesive
- Kits available for all cab styles with standard style mirrors (kits for trucks with trailer tow mirrors available soon)

## Chrome Fuel Door Cover

Add a bright chrome fuel door cover to your truck for some added flair.

- Mix and match with other chrome products for your own unique look
- Made of automotive-grade chrome ABS
- No cutting or drilling required
- Installs in minutes with pre-applied adhesive

## Chrome Side Window Deflectors

These in-channel design side window deflectors help keep out the elements while letting fresh air in.

- Precision fit, rugged ABS construction
- Chrome finish complements OE trim
- Kits available for all cab styles

## Bright and Black Platinum™ Stainless Steel Door Sill Plates

These rugged Door Sill plates help prevent scrapes and scratches and look good doing it!

- Bright Stainless Steel or Black Platinum™ Stainless Steel Plates are available, depending on your tastes
- Laser-etched F-150 Logo ups the cool factor
- Designed to help minimize scratches and scrapes on your door sill
- Made of premium-grade 304 stainless steel
- 2-piece kits for Regular/SuperCab; 4-piece kit for SuperCrew®

## Bright & Black Platinum™ Stainless Steel B-Pillar Trim

Add a custom look to your truck with bright polished stainless steel or Black Platinum™ B-pillar trim.

- Made of corrosion-resistant stainless steel for long life
- Bright polished finish complements OE chrome
- Black Platinum™ finish is UV resistant to maintain its look
- Available for vehicles with or without keypad

## Bright Stainless Steel Tailgate Trim

Keep the custom look going right around the back of your truck with these bright polished stainless steel trim kits.

- Available in 1-piece lower or 3-piece (shown) packages
- Made of high quality 304 stainless steel
- Easily installed using the pre-applied 3M automotive tape

## Black Platinum™ Stainless Steel Tailgate Trim

If bright polished trim isn't your style, dress-up the tailgate of your new F-150 with corrosion-resistant Black Platinum™ stainless steel trim instead.

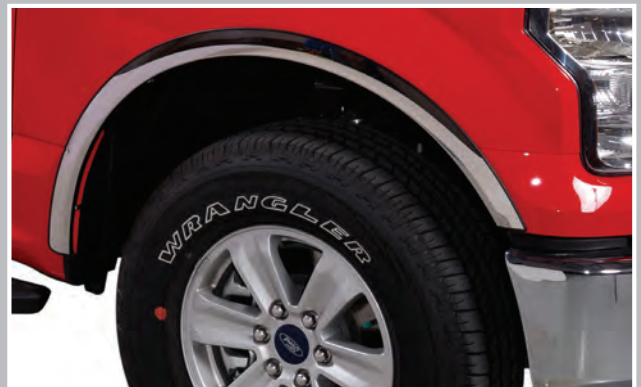

- Available in 1-piece lower (shown) or 3-piece packages
- Made of high quality 304 stainless steel
- Easily installed using the pre-applied 3M automotive tape

## Bright & Black Platinum™ Stainless Steel Fender Trim

Add a custom look to your truck with a set of wheel lip moldings. Not only do they look great, they help protect too.

- Made of corrosion-resistant 304 stainless steel
- Bright polished or Black Platinum™ finishes complement nearly any style
- Easy to install, stainless steel hardware resists rust

## Bright Stainless Steel Body Side Rocker Moldings

Help protect your truck from road debris and add some extra style with these easy to maintain bright finish rocker moldings.

- Made of high quality, polished 304 stainless steel
- Features laser-etched F-150 logo on front door panels
- Installs easily with the pre-applied, premium 3M automotive tape
- Available for Regular/SuperCab with 6.5' & 8' beds; SuperCrew with 5.5' & 6.5' beds

## Black Platinum™ Stainless Steel Body Side Rocker Moldings

These Black Platinum™ rocker moldings help protect your truck from road debris and add customized style.

- Made of high quality, Black Platinum™ 304 stainless steel
- Features laser-etched F-150 logo on front door panels
- Maintains its mirror black color
- Installs easily with the pre-applied, premium 3M automotive tape
- Available for Regular/SuperCab with 6.5' & 8' beds; SuperCrew® with 5.5' & 6.5' beds

## Black Powder Coat Side Rails

Add some useful functionality with these black powder coat Bed Rails that feature open loops at the rail ends providing handy tie-down locations.

- Constructed of durable 304 stainless steel 1-3/4" tubing
- Black powder coat finish to complement a blackout look
- Corrosion-resistant mounting hardware for long life
- Features heavy duty black nylon rail ends

## LED Fog Lamps

Add a set of high power LED fog lamps to your truck to help cut through those dark foggy nights.

- Features a durable and adjustable aluminum housing with corrosion-resistant black finish
- Black coated stainless steel hardware and fasteners
- Plugs into the factory harness
