Your Stop For Upfits and Incentives

FORD COMMERCIAL CONNECTION IS YOUR CONNECTION TO THE LATEST ACCESSORIES AND UPFIT INCENTIVES THAT FIT YOUR VEHICLE AND YOUR WORK

You need to maximize your productivity, and your Ford dealer has the hard-working accessories and upfits to help you get the most out of your vehicle.

Did you know that many Ford Accessories are eligible as part of the Ford *Commercial Connection* Upfit Assistance program? As a qualifying Business or Business Owner, you can take advantage of the Ford *Commercial Connection* Upfit Assistance program to help you upfit your vehicle with Ford Accessories that help you get the job done.

Ford Commercial Accessories are designed and engineered for your vehicle, and they'll be expertly installed by Ford-trained technicians to fit right and work right.

FORD ACCESSORIES OFFER YOU MANY BENEFITS, INCLUDING:

- Quality products approved by Ford and designed specifically for your application
- Covered by a 3-year/36,000-mile New Vehicle Limited Warranty when installed at time of purchase (see dealer for limited warranty details)
- Costs can be included in the financing
- Accessories are ready for work as soon as you take delivery

FORD COMMERCIAL CONNECTION PROGRAM HIGHLIGHTS AND RESOURCES:

- Stay up-to-date on generous upfit incentives
- Stay informed on the latest factory vehicle incentives
- Find a Ford-authorized upfitter quickly and easily with our online Upfitter Directory
- Certify your business to save you time and money at the dealership
- Locate Ford Dealers who specialize in commercial vehicles and look for new commercial accessory news at **FordCommercialVehicleCenter.com**

To see all the money-saving upfit incentives and more, visit **FordToughTruck.com**.

See your Ford Dealer for accessory pricing.

UPFIT ASSISTANCE¹

¹ Must be a business owner to qualify for these incentives. Units receiving any form of CPA (56A), GPC, Long-Term Rental (56K) or other concessions are ineligible. Take new retail delivery from an authorized Ford Dealer's stock by 7/31/19. Restrictions apply. See an authorized Ford Dealer for qualifications and complete details. ² No upfit minimum required. Receive Upfit Assistance for the entire cost of the upfit up to \$500.

LOCKING BED CLEATS

Locking Bed Cleats are now optional equipment on select Super Duty® with XL Trim to provide convenient anchors for tie downs.

- Slide cleats in, and then lock them in place
- Constructed of die-cast zinc with a heavy-duty plastic housing and stainless steel lock assembly; black powder coating resists corrosion
- Includes four cleats, two keys and instructions
- Requires BoxLink™ Interface Plates. Cannot be used when bed dividers or bed ramps are installed

BED EXTENDER

- Rugged black fiberglass reinforced polypropylene cage flips outward and extends over the tailgate to provide 18 inches of extra carrying space
- When the cage is flipped inside the bed, it helps protect cargo from shifting
- Easy to install and remove

BED INTERFACE PLATE KIT

The BoxLink™ Interface Plates, required for most bed products including Locking Bed Cleats, are now optional for select Super Duty® with XL Trim.

- Makes your vehicle more productive with available ramps and universal attachments that can be configured in dozens of ways
- Provides a universal interface with 4 premium locking tie-down cleats sold separately
- Creates reinforced points along bed sides to better support tools and accessories
- Enables attachment of aftermarket items such as a bed divider or stowable loading ramps

BED RAMPS, STOWABLE – SINGLE/DUAL

For times when you need to wheel equipment up into the bed, a set of Bed Ramps can be handy. These are made specifically for your Super Duty®.

- These innovative ramps attach to the tailgate for a proper loading or unloading solution that's engineered and integrated with the tailgate
- When finished, they stow out of the way using the BoxLink™ Interface Plates on the inside of the bed
- Available for purchase in pairs or as a single ramp

SUPER DUTY®

BED TAILGATE LINER

Your tailgate endures plenty of punishment along with the rest of your bed. Add an extra layer of protection as you move cargo in and out of your Super Duty® with this Bed Tailgate Liner. Its heavy-duty, skid-resistant surface helps protect your tailgate from abrasive materials like gravel or sand as well as loading and unloading heavier cargo by forklift.

- Installs easily without drilling
- Conforms ideally to shape of your tailgate
- Ribbed design provides increased airflow between the tailgate and liner to reduce mold, mildew and corrosion
- Available in black to match your bedliner

BED TAILGATE LOCK BY MCGARD™

Protect your investment with this easy-to-install Tailgate Lock. Simply attach the lock around the tailgate's passenger side mounting post, lock the unit and walk away enjoying the peace-of-mind that comes from knowing your tailgate is secure.

- Corrosion-resistant stainless steel and polycarbonate construction designed to perform in extreme conditions
- Designed and positioned to not interfere with tailgate operation
- The mechanism is designed for a tight fit to minimize rattles

BEDLINER, LOWER AND UPPER PLUG KIT FOR CUTOUT

When you haul sand, gravel, soil or mulch, this kit works to keep the excess from getting between your Ford Drop-in Bedliner and the bed surface. Use these plugs to fill in upper and lower access holes.

- Constructed of durable, weather-resistant, black synthetic rubber
- The lower plug kit includes 4 lower tie-down covers, 2 lighting plugs, plus instructions
- The upper plug kit includes 4 interface plate plugs, 2 lighting plugs, plus instructions
- Easy do-it-yourself installation

Lower Plug Kit

Upper Plug Kit

SPRAY-IN BEDLINER

The ToughBed® Spray-in Bedliner helps provide excellent protection against scratches, chips and dents. A precise, uniform application process provides a custom, yet rugged appearance.

- Factory-applied with automated precision to help ensure a smooth, even coat and a premium-looking finish
- Uniform, textured surface helps minimize load slippage, gouging and scratching of the bed
- Industrial-strength, long lasting protection, ToughBed® Spray-in Bedliners look great
- Meets Ford durability specifications

DROP-IN BEDLINER

Add to the durability of your Super Duty® with a super-protective drop-in bedliner. It provides excellent impact resistance, even in extreme temperatures, to shield your bed from your cargo. It also features a ribbed floor that allows airflow between the liner and bed to reduce mold, mildew and corrosion. Plus, our drop-in bedliners are molded to the contour of the bed for maximum cargo space while providing complete access to factory tie-downs.

- Static-dissipative surface helps reduce the chance of static-induced sparks*
- Available in black with Ford Oval logo

* For safety, set fuel containers on the ground when filling.

BEDLINER, SPORTLINER™ BY BEDRUG®¹

BedRugs provide a cushioned, yet tough liner for your truck bed. Perfect for hauling things like furniture or finished cabinets.

- Flexible 3/4" thick cushioned liner is contoured to fit the bed
- Surface helps keep cargo from shifting
- Easy to clean with a hose and water

SUPER DUTY®

HARD FOLDING BED/TONNEAU COVER BY ADVANTAGE¹

This hard folding bed/tonneau cover mounts across the top of the bed for maximum cargo height space and superior sealing.

- Cover is completely self-contained, no spare parts or tools required for installation or removal
- Helps keep cargo protected and out of sight, lock the tailgate for added security
- Tri-fold design allows full access to the bed, the flexible hinge system is strong and weather resistant
- Strong yet lightweight, constructed of an aluminum alloy with a black textured paint finish
- Padded seals help keep the weather out without damaging the vehicle finish
- Heavy-duty, spring-loaded speed clamps provide fast and secure installation

HARD FOLDING BED/TONNEAU COVER BY REV¹

The sleek, "no profile" design makes this a favorite. This folding bed/tonneau cover mounts flush with the side of the truck bed.

- Provides 100% access to stake pockets and works with tie-downs, bed rails, bed extenders and bedliners
- Made from rigid, heavy-duty 3/4" thick panels strong enough to hold up to 300 lbs. (evenly distributed)
- Rugged synthetic hinges and seals provide outstanding weather resistance
- Lock the cover in full open position with the included prop rods for access to the whole bed without removing the cover
- Hidden, quick-release latch system automatically locks panels when shut, simply lock the tailgate to secure the bed

SUPER DUTY®

HARD ROLL-UP BED/TONNEAU COVER BY REV¹

This bed/tonneau cover combines the security of a hard folding bed cover with the convenience of a roll-up bed cover. No heavy lifting required, and with the easy one-handed rolling design, opening and closing is a snap. Between the rails design provides full access to the stake pockets for other accessories.

- Provides 100% access to the bed when rolled up
- Compact design maximizes visibility through the rear window
- Top-mounted buckle straps secure rolled bundle in open position
- Locking rail design secures the cover the full length of the bed when closed
- Rugged, leather-grained vinyl covering provides a classic tonneau look
- Optimized rear tailgate slat for proper operation of the Ford Automatic Tailgate Release
- Easy, clamp-on, no drill installation

PAINTED HARD ONE-PIECE BED/TONNEAU COVER BY UNDERCOVER^{TM 1}

Lightweight and durable, these covers are designed to complement the look of your truck. They even include a battery-powered LED light for nighttime convenience.

- The smooth finish provides a premium look and the full-perimeter seal helps keep out the elements
- Fully compatible with Remote Tailgate Release system
- Available pre-painted to match or complement your truck

PIVOT STORAGE BOX BY UNDERCOVER™¹

Pivot Storage Box fits in the area between the wheel well and the back of the bed and provides a rugged, weather-resistant storage compartment for tools or other gear normally just tossed into the truck bed.

- Works with most bed/tonneau covers
- Available for driver or passenger side – or both!
- Constructed of high impact ABS plastic for added durability
- Swings out nearly 180 degrees for easy access
- Convenient cup holders molded into the lid
- Sliding tray helps keep smaller items handy
- Provides up to 1.5 cu. ft. of lockable, secure storage
- Corrosion-resistant mounting hardware for long life
- Easy installation

RETRACTABLE STAKE-POCKET TIE-DOWNS BY BULL ACCESSORIES¹

BullRing® retractable tie-downs provide excellent anchor points to help you secure that bulky load. These handy stake-pocket tie-downs are a convenient way to add tie-downs while maintaining a clean, sleek look when not in use. They snap up when you need them, recess when you don't. And they offer up to 1,000 lb. capacity to secure your load so you can hit the road with confidence.

- Glass-filled nylon trim covers feature the same grain as your Super Duty® bedcaps – a Ford exclusive
- Flush with the bedcaps when snapped down – perfect for trucks with tonneau covers
- Heavy-duty stainless steel eyelet with 1,000 lb. capacity
- Corrosion-resistant mounting hardware for long life
- Easy installation – each BullRing® can be installed in less than a minute

RETRACTABLE BED/TONNEAU COVER EMBARK BY ADVANTAGE®¹

These manually retractable bed/tonneau covers use a sealed ball-bearing roller system for easy one-handed operation. They are key-lockable in any position along the rail, providing virtually unlimited flexibility.

- Attractive low-profile design
- Heavy-duty aluminum construction
- Spiral track system keeps cover from coming in contact with itself as it rolls into the compact storage container
- Convenient pop-up handle – no need for straps
- Durable matte-black finish with Ford Oval badge
- Easy to install, no drilling required

TEXTURED HARD ONE-PIECE BED/TONNEAU COVER BY UNDERCOVER™¹

These black covers have a textured finish and provide premium features at a budget-friendly price.

- Constructed of a lightweight ABS polymer plastic compound for strength and durability
- Contoured edges wrap over the side of the bed and the full-perimeter seal helps keep out the elements
- Battery-powered LED light for nighttime convenience
- Easy to remove when not needed – no tools required

SUPER DUTY®

BACKUP ALARM* BY ECCO®¹

Busy jobsites pose challenges for even the most careful workers. To help alert others of your driving intentions, we offer these compact backup alarms sized to easily install in the tightest spots at the rear of your truck.

- The backup alarm helps alert workers when the vehicle is in reverse with a loud 102dB alarm
- Compact size makes it easy to install nearly anywhere at the rear of the truck

*Driver Assist Features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle.

¹ Ford Licensed Accessory

COMMERCIAL TOOL/CARGO BOX BY WEATHER GUARD®

Two new Commercial Tool Boxes by Weather Guard® provide large, lockable storage and make for convenient access at the job site.

The Weather Guard® Premium Tool Box includes the following features:

- Weather Guard® Model 127-0-02
- Premium commercial saddle box with 11.3 cu. ft. of storage
- Tamper-resistant, retracting Extreme Protection® Lock helps to protect against break-ins
- Full weather seal protects your tools against the elements
- 12 volt access for electrical upfits
- Clearcoat finish ensures years of dependability

The Weather Guard® Defender Series™ offers additional features:

- Delivers heavy-duty security with two hook loop strikers and dual stage rotary latches
- Tamper-resistant push button locks – drill resistant through the key hole
- The one-touch push button locks pop open the box easily
- Heavy-duty pry resistance with C-channel reinforced welded lid construction
- Welded aluminum channels keep the cover closed evenly so both latches engage

LED WARNING STROBES BY SOUND-OFF SIGNAL

LED Warning Strobes are mounted high for visibility, alerting others that workers are present.

- Warning Strobes feature amber LED lamps that can be seen from 1,000 ft. during daylight and up to a mile at night
- Front facing strobes mount at the rear of the hood for maximum visibility and rear facing strobes integrate into the vehicle's CHMSL and provide 180 degrees of illumination
- Programmable flash-pattern capability to meet specific fleet requirements
- Lights meet the following requirements; DOT/SAE J595, SAE J845 and CA Title 13
- Amber White version includes rear work task light functionality

LED WORK TASK LIGHT BY SOUND-OFF SIGNAL

The LED Work Task Light (rear only) creates a highly visible working environment after dark.

- Mounted high on the back of the cab, it provides workers with optimal illumination while unloading or performing any other outside tasks
- Bright LED lamps provide up to 180 degrees of illumination
- Provides the protection of additional CHMSL rear visibility

SUPER DUTY®

WHEEL-WELL LINERS

Ford Wheel-Well Liners are precision fit for your new Super Duty®. These liners are constructed of rugged and recyclable high-density polyethylene to help provide excellent impact resistance. Available for Front or Rear or as a complete set Front and Rear.

- Custom molded to fit the contours of the wheel well to protect body-colored parts and underpinnings
- Designed and engineered to meet stringent Ford specifications for fit and durability
- Easy to clean – simply spray off with a hose

5TH-WHEEL KIT*

For Super Duty® applications with 8' beds, our 5th-Wheel hitch offerings are rated for 18,000 or 27,500 lbs, allowing you to select the one that best suits your needs.

- In-bed 5th-Wheel hitches help distribute the trailer's load more evenly over the vehicle and allow for higher towing capacities
- Each 5th-Wheel package includes a height-adjustable 5th-Wheel and two safety chain tie-downs
- 5th-Wheel can be easily removed when not in use to allow full bed access

SUPER DUTY®

5TH-WHEEL ADAPTER PLATE *

This Adapter Plate allows you to use a 5th-Wheel trailer hitch that attaches to standard, above-bed rails. Accommodates 5th-Wheel trailer hitches with a maximum capacity of 20,000 lbs.

- Constructed of high-strength steel
- Finished with a durable black powder topcoat
- Approximately 34.1" long, 25.1" wide, 3.0" high
- Includes plate, plus mounting hardware and instructions
- Easy do-it-yourself installation – utilizes a fast, secure latching system and an adapter that drops into the Ford 5th-Wheel Prep Package setup to lock in place
- For use with aftermarket 5th-Wheels
- Towing capacity is dependent on vehicle powertrain – see your dealer or owner's manual for details

GOOSENECK HITCH KIT *

For heavy-duty hauling, we offer in-bed Gooseneck hitches. Designed to tow heavy duty trailers, they are rated at 27,500 or 33,000 lbs. and offer benefits over standard trailer hitches including:

- Distributing the trailer's load more evenly over the vehicle, allowing for higher capacities
- The 27,500 lb. hitch includes a 2-5/16" hitch ball, tie-downs and a handy carrying bag
- The 33,000 lb. package for F-450 DRW trucks provides a maximum GCWR of 40,000 lbs. when properly equipped

TRAILER IN-BED WIRING HARNESS

Essential for towing 5th-Wheel or gooseneck trailers behind your Super Duty®. The Wiring Harness features a 7-pin trailer plug that's expertly engineered to fit in the left-side wall of the bed for easy connection when you need it.

- 7-pin wiring harness
- Dealer installation recommended
- Drilling required

TRAILER HITCH BALLS AND BALL MOUNTS*

Ford offers a range of Trailer Hitch Balls and Trailer Hitch Ball Mounts to meet most towing needs.

Trailer Hitch Balls are available with 1-7/8", 2" and 2-5/16" balls.

- Corrosion-resistant forged stainless steel construction
- All-balls are available with 1" shanks
- The heavy-duty 2-5/16" ball has a 1-1/4" shank

Trailer Hitch Ball Mounts can raise or drop position to match trailer coupler height.

- Durable black powdercoat finish
- 2" or 2-1/2" square shanks
- 12,000 GTW (Gross Trailer Weight) 2" Titan Mount also available for Super Duty®
- Corrosion-resistant mounting hardware included

SUPER DUTY®

PINTLE MOUNT*

For those in need of a Pintle Mount, Ford offers a heavy-duty version to fit the 2-1/2" receiver on your Super Duty® pickup. Several mounting holes help you match trailer coupler height.

- Durable black powdercoat finish
- For 2-1/2" square receivers
- Corrosion-resistant mounting hardware included

TRAILER BRAKE CONTROL

This Trailer Brake Control fully integrates with the ABS and Trailer Sway Control for seamless braking, even with the heaviest loads.

- Controls mount in dash, with trailer brake readings displayed on the digital information center of your instrument cluster
- Verified compatibility with one- to four-axle trailers using electronically actuated drum brakes and certain Electric-Over-Hydraulic (EOH) actuated drum or disc brake systems

FORD COMMERCIAL GRAPHICS

For more information or to begin the order process call **1-877-236-4428** or visit **www.fordcommercialgraphics.com**

Ford Super Duty® customers can now have their commercial graphics installed via our Ford Commercial Connection Graphic Program and use eligible upfit allowances toward the installation of a vehicle graphic. Ford will administer all aspects of the graphics program and eliminate the headaches associated with the installation process.

- Customer can either provide their own graphic design file or will be provided various templates related to their industry to assist in finalizing the graphic design
- This program uses quality 3M vinyl and is backed by Ford's 3 year/36,000 mile limited warranty*
- A 'pre-production' design proof is sent to the customer to review for final approval
- Upon Dealer/Customer approval, graphic production and installation is scheduled

SPLASH GUARDS, GATORBACK® BY TRUCK HARDWARE™ 1

These heavy-duty splash guards come specially designed for your truck. Featuring premium virgin rubber construction, each kit includes all brackets and hardware. Simply assemble and install.

- Heavy-duty no-drill brackets are designed to help prevent galvanic corrosion and locate the splash guards for maximum effectiveness
- Help deflect stones and other debris
- Help reduce mud and slush build-up on running boards or step bars
- Various styles available including Ford and Super Duty® logos

Must have either the Ford logo, CVC logo, selling dealer logo or end user business logo to be eligible. An image of the mud flap will be required to approve.

SUPER DUTY®

* Contact your Ford Dealer for details and/or a copy of all limited warranties. See limited warranty statement on back page.

¹ Ford Licensed Accessory

SPLASH GUARDS, HEAVY-DUTY

Designed to deflect the mud, gravel and other debris commonly found at the jobsite away from the sides of your truck. Our rugged Flat Heavy-Duty Splash Guards are available with or without a Stainless Steel insert.

Flat Heavy-Duty Splash Guards are constructed of premium materials designed to withstand even the most extreme conditions.

- Extra-long and wide to provide maximum protection
- The Ford Oval is molded into each guard and those with the bright 304 stainless steel insert feature an embossed logo

Must have either the Ford logo, CVC logo, selling dealer logo or end user business logo to be eligible. An image of the mud flap will be required to approve.

IN-VEHICLE SAFE BY CONSOLE VAULT®¹

Protect valuables with a Console Vault® in-vehicle safe. These unique safes mount discreetly inside your existing console, completely hidden from view.

- Constructed from massive 12 gauge cold rolled plate steel with welded tab and notch seams for added strength
- Superior 3-point locking system resists prying
- The four digit combination lock provides up to 10,000 different codes

WINDOW GRILLES, REAR

Provide an added measure of security against break-ins with a rear window grille. Grille mounts inside and helps prevent entry even if the window is broken.

- Strong steel mesh helps guard against unwanted entry through a broken window
- Polyester coating helps provide a finished look

HEAVY-DUTY CARGO FLOORING & SCUFF PLATES BY LEGEND¹

Kit includes Heavy-Duty Scuff Plates for both the rear and the side cargo door (barn or single-sliding). Manufactured to exacting Ford specifications, the kit provides a finished look to the Transit's work area while providing extra protection at the cargo door's floor area.

- Scuff plates constructed of rugged 14 gauge steel for added strength
- Floor surface has a durable non-slip coating to help provide sure footing
- Black finish looks tough and complements the interior
- N/A with Dual Sliding Side Doors
- HD Scuff Plate Kit (non-installed) is available separately

TRANSIT

ROOF RACK SYSTEM

Enhance the cargo-carrying versatility of your Transit with this Roof Rack System.

- Choose a 3-bar kit for short wheelbase Transit or a 4-bar kit for long wheelbase models
- Individually packed, black cross bars allow the mounting of select carriers
- Cross bars attach to the roof by bolting into the sheet metal

SPLASH GUARDS, HEAVY-DUTY

Designed to deflect the mud, gravel and other debris commonly found at the jobsite away from the sides of your truck. Our rugged Flat Heavy-Duty Splash Guards are available with or without a Stainless Steel insert.

- Flat Heavy-Duty Splash Guards are constructed of premium materials designed to withstand even the most extreme conditions

TRAILER HITCH BALLS AND BALL MOUNT*

A range of Trailer Hitch Balls are available for most trailering needs. Available with 1-7/8", 2" and 2-5/16" balls.

- Corrosion-resistant forged stainless steel construction
- All balls are available with 1" shanks

Ford offers a series of Trailer Hitch Ball Mounts to meet most towing needs. You can use them in the raised or dropped position to match the trailer coupler height.

- Durable black powdercoat finish
- 2" square shanks
- Corrosion-resistant mounting hardware included

TRAILER HITCH WIRING HARNESS AND HEAVY-DUTY TRAILER TOW PACKAGE*

The Trailer Hitch Wiring Harness is designed to integrate with the new Transit with minimal splicing required. The 7-pin design allows the use of trailers with electric brakes. Includes bracket for convenient attachment. Available for van or wagon models.

The Heavy-Duty Trailer Tow Package includes trailer wiring provisions, 4/7-pin connector, electric brake controller tap-in capability, relay system for backup, running lights, frame-mounted hitch receiver, and tow/haul mode. Available for van or wagon models.

TRANSIT

TRAILER HITCH*

For work or play, we have hitch products available for your vehicle, designed to allow you to take full advantage of its towing capabilities.

- Depending on your vehicle application, our hitch receivers allow towing capacities up to 21,000 lbs.
- Our hitches are designed for your specific vehicle and bolt directly to the frame with no cutting or welding required
- Transit Hitch shown with available 4/7-pin Wiring Harness

WHEEL-WELL LINERS

Ford Wheel-Well Liners are precision fit for the new Transit. These liners are constructed of rugged, recyclable high-density polyethylene to help provide excellent impact resistance.

- Custom molded to fit the contours of the front wheel-well, they look as good as they protect
- Designed and engineered to meet stringent Ford specifications for fit and durability
- Easy to clean – simply spray off with a hose

* Work with your Ford dealer to determine the towing capacity of your vehicle to ensure it has the equipment, powertrain and capability to do the job you want it to.

TRAILER HITCH*

For work or play, we have hitch products available for your vehicle, designed to allow you to take full advantage of its towing capabilities.

- Depending on your vehicle application, our hitch receivers allow towing capacities up to 21,000 lbs.
- Our hitches are designed for your specific vehicle and bolt directly to the frame with no cutting or welding required
- Transit Hitch shown with available 4/7-pin Wiring Harness

TRAILER HITCH WIRING HARNESS AND TRAILER TOWING PACKAGE*

Designed to integrate in with the vehicle wiring harness with no splicing required. The 4-pin design does not allow the use of trailers with electric brakes. Includes bracket for convenient attachment.

- Utilizes a converter box that interfaces with the vehicle's rear lighting signals and power source
- Available for van or wagon models

The Trailer Towing package for Transit Connect helps ensure easy, proper connection of trailer lights. The package includes:

- 4-Pin Trailer Wiring Harness
- Trailer Wiring Module
- Hitch Receiver
- Trailer Sway Control

TRANSIT CONNECT

SPLASH GUARDS

Designed to deflect mud, gravel, spray and other debris from the finish of your Transit Connect. These splash guards are constructed of premium materials designed to withstand extreme conditions.

- Features the vehicle logo. Passenger Wagon only

IN-VEHICLE SAFE BY CONSOLE VAULT®¹

Protect valuables with a Console Vault® in-vehicle safe. These unique safes mount discreetly inside your existing console, completely hidden from view.

- Constructed from massive 12 gauge cold rolled plate steel with welded tab and notch seams for added strength
- Superior 3-point locking system resists prying
- The four digit combination lock provides up to 10,000 different codes

TRANSIT CONNECT

WINDOW GRILLES, REAR

Provide an added measure of security against break-ins with a rear window grille. Grille mounts inside and helps prevent entry even if the window is broken.

- Strong steel mesh helps guard against unwanted entry through a broken window
- Polyester coating helps provide a finished look

FORD COMMERCIAL GRAPHICS

For more information or to begin the order process call **1-877-236-4428** or visit **www.fordcommercialgraphics.com**

Ford Transit Connect customers can now have their commercial graphics installed via our *Ford Commercial Connection* Graphic Program and use eligible upfit allowances toward the installation of a vehicle graphic. Ford will administer all aspects of the graphics program and eliminate the headaches associated with the installation process.

- Customer can either provide their own graphic design file or will be provided various templates related to their industry to assist in finalizing the graphic design
- This program uses quality 3M vinyl and is backed by Ford's 3 year/36,000 mile limited warranty*
- A 'pre-production' design proof is sent to the customer to review for final approval
- Upon Dealer/Customer approval, graphic production and installation is scheduled

* Contact your Ford Dealer for details and/or a copy of all limited warranties. See limited warranty statement on back page.

LIMITED WARRANTY INFORMATION FOR FORD ORIGINAL ACCESSORIES AND FORD LICENSED ACCESSORIES

Ford Original Accessories will be warranted for whichever provides you the greatest benefit: 24 months/unlimited mileage, or the remainder of your Bumper-to-Bumper 3-year/36,000-mile (60,000km) New Vehicle Limited Warranty. Ford Licensed Accessories (FLA) are warranted by the accessory manufacturer's warranty. FLA are designed and developed by the accessory manufacturer and have not been designed or tested to Ford Motor Company engineering requirements. Contact your Ford Dealer for details and/or a copy of all limited warranties.

Ford Accessories reserves the right to change product specifications and availability at any time without incurring obligations. Information contained in this brochure was correct at the time it was being prepared for printing. Please refer to the Ford Accessories website for the most current, up-to-date information.
