

Sportliner™ by BedRug®

The next generation bedliner

APPEARANCE

>> Staying Tough and Looking Great

APPEARANCE

- Tough puncture resistant surface
- Rugged construction handles heavy cargo
- Comfortable 3/4" thick cushioned surface
- Helps prevent cargo from shifting
- Stain & UV resistant
- Easily cleaned with just water

>> Making Great Trucks Even Better!

Staying Tough - The Sportliner by BedRug is engineered to stay tough throughout the life of your truck. Made 100% polypropylene, the sturdy construction makes the liner puncture resistant and durable enough to handle even the worst or heaviest of cargo.

Looking Great - The Sportliner by BedRug maintains its good looks using materials developed to keep the surface both stain resistant and resistant to the sun's UV rays. Sportliner by BedRug is custom formed to fit the contour and shape of each bed for a smooth, flat and tight fit. It's the perfect complement for trucks with a tonneau cover or a cap. The 3/4" closed foam cell construction provides a bed floor that's easy on the knees and soft enough to sleep on. And clean up is easy - just a hose and water are all that's needed.

Also fits models with Tailgate Step

Built-In Hinge

Model Custom Fit
