

## Introducing our ALL-NEW Heavy-Duty Flat Splash Guards for Trucks

These great new additions complete our Splash Guard line-up and help provide protection for tough truck applications. These Premium Heavy Duty Splash Guards are available in black with an embossed Ford oval or with bright stainless steel inserts w/ the embossed Ford oval. Installation hardware included.

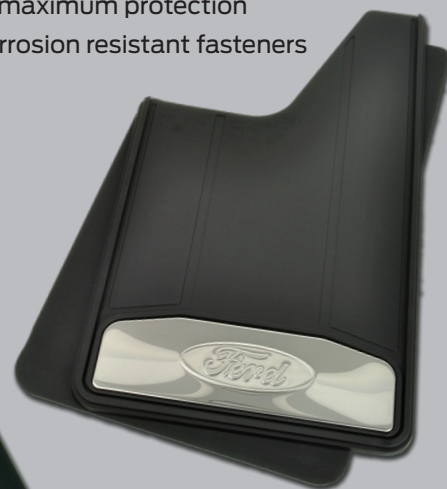

## Style and Protection - All in One

- Molded or Flat, Ford Custom Accessories Splash Guards provide added style while helping to protect your vehicle from stone chips and other debris you commonly encounter on your travels.
- Available for nearly every late model Ford and Mercury, our Splash Guards were styled and designed specifically for your vehicle using the original design data...no reverse engineering.
- Constructed of heavy-duty, all-weather materials that stand up well against temperature extremes, exposure to UV Rays and things like salt, slush, mud, tar and other road debris.
- Easy to install, each kit contains the necessary hardware and installation instructions to get the job done quickly. In most cases, there is no drilling required to complete an install. Existing fasteners are used whenever possible, and corrosion-resistant fasteners are included when necessary.

### All New Heavy Duty Flat Splash Guards

- Premium Heavy Duty Splash Guards for select truck applications
- Available in black or with bright 304 stainless steel inserts and embossed Ford Oval
- Designed for use in extreme conditions
- Constructed of OE grade materials
- Extra-long and wide for maximum protection
